

Yarns and Ribbons

Colour Streams has created a range of hand dyed silk yarns, hand dyed silk ribbons and hand dyed fabrics including velvet, crinkle silk chiffon & pure wool felt. All these products are available in 50 bold & beautiful variegated colours. All products are dyed with fibre reactive dyes, set and washed several times. Slight bleeding may occur with the very strong shades. It is recommended dry cleaning for optimum care of your silk products. As the silks are hand dyed there will be some variation of colour from batch to batch.
